OBJECTIVE

As a computer science student, I am eager to apply my passion for technology and my academic knowledge to contribute to innovative software development projects and gain hands-on experience in the dynamic field of computer science. My objective is to secure a position that allows me to enhance my skills, collaborate with talented professionals, and make a meaningful impact.

EDUCATION

Bachelor of Science in Computer Science , Calicut University   2022-2025

SKILLS

Technical Skills Expertise	Self taught :-React.js, JavaScript, Node.js, HTML/CSS, MongoDB,Debugging & Issue Resolver **,** Good Communication, Fast Learner, Problem Solving, Leadership,Time Management, Team Player.

PROJECTS

Digital Mall Website(E-Commerce Website) - Developed a digital mall website using React.js for the frontend and Node.js for the backend. The platform allows shop owners to add and manage products, set offers, and track sales. Customers can browse products, compare prices, and securely complete purchases. Implemented user authentication with OTP-based password reset and integrated MongoDB for efficient data storage. Designed a structured seller dashboard with product management, order tracking, and business insights for a seamless shopping experience.

Rock paper Scissor Game - Developed a Rock Paper Scissors game using JavaScript, HTML, and CSS. Implemented interactive UI, game logic, and real-time score tracking. Enhanced user experience with animations and responsive design

Memory Card Flip Game - Developed an interactive memory card flip game using JavaScript, HTML, and CSS. Implemented randomized card shuffling, timer functionality, and smooth animations for a better user experience. Ensured responsive design for seamless play across devices.

ADDITIONAL

Languages: Fluent in Malayalam & English
Certifications and Training: Responsive Web Design Certification (freecodeCamp) , JavaScript(Basics)-
                                        (HackerRank)

DECLARATION

I hereby declare that the above information is true and correct to the best of my knowledge and belief.
